**He realized that he left his phone at home charging. His friends told him a story about the fairy of the sun to cheer him up, the story went like this.**

A child's drawing on a white background. It features a large tree with a thick trunk and many branches. A small fairy with wings is flying near the base of the tree. A bright sun is visible in the upper right. The drawing is set against a background of vertical color bands: light blue on the left, yellow in the middle, and pink on the right.

**One day she was walking past a forest when she noticed a beautiful big tree that was surrounded by two butterflies. One was red, the other was blue. They were incredibly gorgeous. The fairy's eyes lit up as she watched the butterflies dance around the big oak tree and for a moment, earth wasn't that bad. The forest was full of pretty flowers the prettiest flowers she saw were pink and red.**

# **Our tree**

**Our fir tree, our little fir tree  
You are so beautiful,  
And when the snow falls  
You are missing out your fruit.**

**With tinsel to dress you  
And with many globes  
Come to my house  
Where it is warm and cosy.**

**My lush tree  
Painted white colour  
As it on  
A white suit.**

**My beautiful tree  
Gives us oxygen  
Birds, squirrels or hedgehogs.  
Our tree will be a home to them all.**

# **White tree**

**Your white body surprises people  
And we are the comforters of your branches.  
We have to take you in our arms,  
We have to take and save you.**

**My shadow comforts people  
I am alive  
The animals love me,  
They make me their home.**
